Respondus LockDown Browser™ Respondus LockDown Browser Installation

Click on the logo of the operating system where Respondus LockDown Browser will be installed (or, [click here](#) for more information on this product).

Windows® Mac

Select One

3) I was on my home computer when I tested this procedure, so I chose [your own computer]

Respondus LockDown Browser™ Respondus LockDown Browser Windows Installation

Select the type of computer you are using:

- [Lab Computer](#) (campus or school)
- [Your Own Computer](#)
- [Work Computer](#)

Lock Down Browser in Sakai (steps to install) {on windows XP}

4) You must pick a server to download from:

Respondus LockDown Browser™ Respondus LockDown Browser Windows Installation

It's only necessary to install Respondus LockDown Browser once. To check whether it's already been installed on your computer, look for the following icon on your Windows desktop:

Or, look for the application using the Windows Start Menu:

Start -> All Programs -> Respondus -> LockDown Browser

If not already installed, download the browser installation program using one of the following links:

[Download Installer - Server 1](#)

[Download Installer - Server 2](#)

The file downloaded will have the name **LockDownSFX.exe**. Locate and double-click the file to start the setup process. Follow the onscreen instructions.

Once installed, locate the LockDown Browser icon on your desktop and double-click it to launch the software.

5) Then save the file: and then run the installer

Opening LockDownSFX.exe

You have chosen to open:

 **LockDownSFX.exe**
which is a: Binary File
from: <http://www.respondus7.com>

Would you like to save this file?

Open File - Security Warning

Do you want to run this file?

 Name: LockDownSFX.exe
Publisher: [Respondus, Inc.](#)
Type: Application
From: J:\Documents and Settings\Beth\My Documents\D...

Always ask before opening this file

 While files from the Internet can be useful, this file type can potentially harm your computer. Only run software from publishers you trust. [What's the risk?](#)

6) Then Click the Lock Down Browser Install button:

Install Respondus LockDown Browser

Click the button below to run the install for Respondus LockDown Browser

 **Click to Install**
